A PRIVATE ISLAND

# IMAGINE ESCAPING TO YOUR OWN PRIVATE ISLAND.

The crystal blue Caribbean Sea surrounds you as you lay in a hammock and the soothing sun sets over the horizon. A lullaby of waves softly caressing the shore and gentle tradewinds rustling nearby palm fronds ease you into absolute relaxation. No need to rush, the only important decision to make is whether to have your gourmet meal served at your hammock, on the end of your personal dock, at a secluded spot on the beach or in the comfort of your villa.

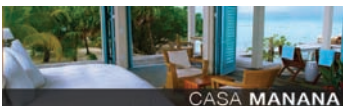

Cayo Espanto, a private island paradise, combines the ultimate in luxury and seclusion. We invite you to spend enchanting evenings and unforgettable days overlooking the Caribbean while our staff attends to every detail.

Although less than two hours from Miami, Dallas, Atlanta and Houston, Belize remains virtually undiscovered. Cayo Espanto is an exclusive resort for the discriminating few who demand the best that life has to offer.
